ABOUT PARKSIDE CRA

On Sept. 21, 2010, the Board of County Commissioners unanimously approved the Parkside area as a Community Redevelopment Area. Several public meetings were conducted with more than 100 Parkside residents in attendance at each meeting. As a result of those meetings, the Citizens' Master Plan was written and adopted on August 16, 2011. This Master Plan records the vision of the residents, prescribes actions that will be taken to revitalize the area, and provides guidance for plan initiatives.

Parkside is a community that celebrates and promotes active, healthy living throughout all of life's stages. The Parkside Citizens' Master Plan promotes a sense of community and celebration and has a vision of a great destination, as well as a great place to live, work, and play.

COMMUNITY HIGHLIGHTS

Fiscal Year 2022-23 Project Review

In June of 2023, Charlotte County Board of County Commissioners approved the rezoning of the Promenades Shopping Center property (3280 Tamiami Trail) from Commercial General (CG) to Mixed Use (MU). This will allow the property to be transformed to include a new mixed-use high-rise at the north side of the property that will house retail business at the ground floor, professional office space above the retail, and residential units above the professional office floors (see Figures below). In total, the proposed development may include up to 791 dwelling units, 600 hotel rooms, and 500,000 square feet of commercial space. This concept would inject a vibrancy to the area, allowing for a pedestrian-friendly development.

Financial Highlights

Fiscal Year 2022-23 was a strong year for Parkside. Taxable assessed property values increased by more than 7% over the previous fiscal year, even while considering property damages due to Hurricane Ian in September 2022. With this continued increase in property values, the Agency continues to make progress in repaying its outstanding debt and is in a better position to begin exploring the possibilities of new projects in the near future.

Operating Highlights

The Charlotte County Family Services Center Phase 2 project on Gibraltar Drive is well under construction. The new facility will provide residents with timely access to an array of health, education, employment, and human services through an integrated service delivery model, as well as meeting spaces for community groups. The estimated budget for the project is \$10,900,000 and is funded by 2014 and 2020 Sales Tax Extensions for design and construction, respectively. Looking Ahead

With new mixed-use development planned in the area, along with county and privately-funded developments, an increasing trend in total property value is expected to continue. Real estate activity in the area is increasing, and there continues to be interest in the area, both from the commercial and residential sectors.

The total amount expended for affordable housing for low-income and middle-income residents in Fiscal Year 20212-23 was \$0.

163.371 (2) (c) Achieving Goals

Transform Olean Boulevard:

As described in the Parkside Citizens' Master Plan, the transformation of Olean Boulevard is critical to the success of the Parkside CRA. These improvements, along with construction of new multi-use paths and drainage at Gertrude Avenue and Aaron Street, have improved the attractiveness of the district, help establish great public spaces, promote the walkability and enjoyment of the area, promote the area's identity as an accessible destination for business and recreation purposes, foster a sense of community, and the improvements support sustainable economic growth.

Repayment of Original BCC Loan:

In Fiscal Year 2022-23 the Parkside CRA taxable assessed property values increased over the previous year. This will result in a larger TIF collections that will contribute to the repayment of the loans extended to the CRA from the Board of County Commissioners.

INDEPENDENT AUDITOR'S REPORT

Florida Statute 163.371(2)(a) requires the most recent complete audit report of the redevelopment trust fund as required in Statute 163.387(8). Because the audit report for Fiscal Year 2022-23 will not be available and able to be included herein by March 31, 2024, the Parkside Community Redevelopment Agency shall publish the audit report on its website within 45 days after completion.
