

CHARLOTTE COUNTY
COMMUNITY DEVELOPMENT DEPARTMENT

**APPLICATION FOR
DEVELOPMENT OF REGIONAL IMPACT**

Application Requirements

- **Completeness Review:** Supply one unbound copy of the application (see checklist below). The application will be reviewed for completeness within five days of submittal. If deemed incomplete, the applicant will be informed of what information is needed by email and phone. The application will not be reviewed further until the information is supplied. **Do not submit the additional copies, described below, to the Department until you are informed by staff that the application is complete.**
- **Additional copies subsequent to *Completeness Review*:** the applicant is required to supply 6 hardcopy sets of all documents, 1 digital set in PDF format of all documents, 1 copy of the proposed resolution in Word format, 1 set of the boundary survey and proposed Map H in AutoCAD format. If no changes were required to obtain completeness, then the original submittal will count as 1 of the 6 hardcopy sets.

- State DRI application and all maps and other documentation associated with that application form
- Survey and accurate legal description (including acreage), **signed and sealed** by a registered land surveyor, tied to the state plane coordinate system.

Scheduling for Public Hearing

The County recognizes that the DRI hearing date in front of the Planning and Zoning Board and the Board of County Commissioners is contingent on many activities outside the control of the County. These include Sufficiency Review periods, the hearing schedule of the Southwest Florida Regional Planning Council Board, the will of the applicant to continue addressing issues brought up by reviewing agencies, and the desire of the applicant to initiate the 60 day notice period for public hearing. However, *it is the applicant's responsibility* for promptly providing any information that needs to be updated, modified, or newly submitted as part of the application; this includes providing a copy of the decision and recommendations from the Southwest Florida Regional Planning Council (SWFRPC) and any changes made due to that decision. **No additional changes may be made to any information in an application subsequent to one week before the hearing packet is due to be compiled for the Planning and Zoning Board members or the NOVUS item deadline for the Board of County Commissioners.** The planner in charge of the DRI will be able to inform the applicant of the final date.

- If Department staff is unable to review the information provided and receive input from other departments, as needed, because sufficient time for review was not provided by the applicant, staff may be forced to recommend denial of the project. The applicant is encouraged to contact staff when submitting new information or subsequent to submitting new information so that an estimate of the staff time needed to review the information can be discussed.
