In November of 2006, a referendum authorizing the Conservation Charlotte Environmentally Sensitive Lands Acquisition Program was approved by the citizens of Charlotte County. The Environmentally Sensitive Lands Oversight Committee is authorized by the Board of County Commissioners to review nominated properties for possible acquisition pursuant to the criteria listed below. All proposed purchases must be submitted to the Board of County Commissioners for final approval prior to initiating a contract purchase.

Environmentally Sensitive Lands Criteria

- **RARITY**
Sites containing rare community types, rare or listed species, or other special features.
- **CONNECTEDNESS**
Sites adjacent to existing public lands or waterways.
- **QUALITY**
Sites of high ecological quality with species diversity and ecosystem integrity.
- **WATER RESOURCES**
Sites that maintain water quality in either a natural stream system, recharge area, or estuarine environment.
- **MANAGEABILITY**
Sites that have the potential to provide long-term viability and maintain habitat functions.
