\*definitions follow

# \*ELIGIBLE HOMEOWNER

“Eligible homeowners” are those who are the recorded deeded owner of an eligible residential property with completed, PAID seawall repairs for HURRICANE IAN/NICOLE damaged seawalls, who have complied with all documentation requirements.

# \*ELIGIBLE RESIDENTIAL PROPERTY

“Eligible residential property” means a parcel that is on a waterway located in Charlotte County that is a single-family, site-built, residential property, with an existing seawall that was damaged by Hurricane Ian or Nicole, and where the homeowner has been granted a homestead exemption on the home under chapter 196, F.S.

# \*ELIGIBLE COSTS

“Eligible costs” include construction costs associated with the execution of an eligible project that have been incurred and for which the grantee has evidence of payment. Construction costs may include design, engineering, construction-related monitoring required by permit or contract, surveys, materials, labor, contractors, and construction oversight. Eligible costs do not include permit fees or repair of residential structures, docks, or boat lifts/davits. Add-ons, improvements, enhancements, or other optional features are not eligible for reimbursement.
