

EL JOBEAN INSTALLATION AGREEMENT FAQ'S

- Q. How will the homeowner be made aware the contractor is ready to disconnect my system?**
- A. The contractor will leave door hangers a few days prior to doing the work. The homeowner does not have to be home for the contractor to perform the work.
- Q. Who is required to sign the Installation Agreement form?**
- A. All legal property owners of record are required to sign the Installation Agreement.
- Q. Why didn't I get the same information my neighbor received?**
- A. You only need to sign and return the Installation Agreement and/or Septic Tank Location form if you have a home on your lot at this time. If your lot is vacant, there is no need to return the forms.
- Q. How soon do I need to return the Installation Agreement/Septic Tank Location form?**
- A. The earlier the Installation Agreement/Septic Tank Location form is submitted; the sooner all documentation will be completed in order to perform the work once the contractor is ready.
- Q. Where do I mail the original Installation Agreement and Septic Tank Location form?**
- A. Charlotte County Utilities
Capital Projects Office
ATTN: Syndi Merriman
25550 Harbor View Road, Suite 3
Port Charlotte, FL 33980
